Federal Loan Alternatives

Think carefully before taking out an Education Refinance Loan to pay off your federal loans. If you refinance your federal loans through this Education Refinance Loan, you will not be able to select income contingent repayment or other flexible payment plans that are available to federal student loan borrowers. In addition, federal student loans offer deferment and forbearance options that are not available to you if you take out a private Education Refinance Loan.

You may qualify for a Federal Direct Consolidation loan. For more information visit the Department of Education's website at: www.studentaid.gov for more information.

Effects of Refinance

You continue to be responsible for the payment(s) on your current loan(s) until such time that it is (they are) paid off. By choosing to refinance your qualified student loan(s) into a new loan, all terms of your existing loans will be eliminated including, but not limited to, any borrower benefits or deferment eligibility. By extending the term of the loan you may pay more interest.

More information about loan eligibility and forbearance options is available in your application and Credit Agreement.
